110 W. MICHIGAN AVE. SUITE 700, LANSING, MI 48933

The Council About Parochiaid is a coalition of child advocacy, civil rights and education groups supporting the constitutional guarantee of a free public education for all Michigan children.

CAP opposes the removal of Michigan's constitutional ban on parochiaid and the creation of voucher or tuition tax credit programs.

CAP is organized to provide education on the following subjects: the preservation of religious liberty; the separation of church and state; and the importance of public education in a democracy. The Council also educates the public regarding the risks of granting governmental aid to nonpublic schools in Michigan.

CAP is a non-profit 501 (c) (4) organization supported by contributions from member organizations and individuals like you! We would like to welcome you to CAP and say thank you for your participation and support!
